

Report to the Kentucky Library Association Board
Library Support Staff Round Table
Lexington, Kentucky
June 15, 2013

I have created a Facebook page for the KLA LSSRT. Library staff can reach the page at <https://www.facebook.com/KLALSSRT>. Please encourage support staff at your libraries to visit the page, 'like' it, and participate in posting ideas about libraries on the timeline of the page itself. I'll provide additional information regarding response rate and interest generated among members at the next meeting.

Respectfully Submitted,

Bob Callen, Chair
